Professional Summary

Computer and Information student with a strong passion for technology, programming, and web development. Motivated to continuously develop skills and contribute to innovative projects within professional communities. Experienced in front-end development, Python programming, and active participation in tech organizations.

Education

Faculty of Computer and Information, Benha University
Bachelor's Degree – Class of 2026 (Currently in 3rd Year)

Experience

Participant – ECPC 2024 (Egyptian Collegiate Programming Contest)

- Competed in a national-level programming competition.
- Gained experience in problem-solving and competitive coding.

Network Security Summer Training – NTI & ITIDA

- Duration: 120 hrs, Aug–Sep 2025 (Score: 96%).
- Learned key concepts of network security, including firewalls, network protocols, and security monitoring.
- Gained practical experience in analyzing network vulnerabilities and implementing basic security measures.
- Developed problem-solving skills for real-world network security scenarios.

Python Training – Benha University

- Completed structured Python programming training.
- Developed a **Gym-based game project**, applying object-oriented programming, logic design, and interactive functionality.

Member / Participant – IEEE Student Chapter, Benha University

- Participated in IEEE events, workshops, and tech activities.
- Engaged with the student community to learn about latest technologies and industry trends.
- Gained exposure to professional networking and collaborative learning environments.

Front-End Development Trainee – GDG Benha

- Participated in hands-on front-end development training.
- Learned HTML, CSS and responsive design principles.
- Built small web projects and gained practical coding experience.

HR Coordinator – TEDxYouth @ ElSadat STEM School
HR Member – Nafsak Student Activity

Skills

- Programming: C++, Java, Python
- Web Development: HTML, CSS, JavaScript
- Tools: Git, VS Code
- Soft Skills: Problem Solving, Teamwork, Leadership, Communication, Time Management

---

Courses & Certifications

- **Design Thinking – HP LIFE Online Course** (Issued: Jan 28, 2025)
    - Learned the design thinking process and practiced defining problems using customer feedback.
- **Learn HTML & CSS – Mahara-Tech (ITI), Oct 2025**
